

BUILD, INNOVATE, COLLABORATE, AND **GROW**

The working world is on the move. Handhelds, smartphones, tablets, laptops, and other wireless devices have significantly changed business expectations. Today, mobility and flexibility are now key to competing in the modern world. Brother Mobile Solutions offers opportunities for you and your customers to do more, achieve more, and execute strategies that free mobile workforces to realize their full potential.

THE NEXT Partner Program by Brother is an exclusive support system specifically designed for Solutions VARs, Integrators, and ISVs with a proven track record providing mobile solutions to key vertical markets.

ACCESS, THE NEXT PARTNER PROGRAM FOR ISV PARTNERS
